BERNIE BINGO

The game we love to hate

By Emilio González
With Duane Klose & Will Valladao
v1.0b <http://flamingmac.com/berniebingo/>

Prize

THE RULES

- 1 Everyone watches the same media and marks the same boxes.
 - 2 Everyone plays with the same number of pages; try a least two to up the odds.
 - 3 Watch for Bernie Ecclestone to be seen or heard.
 - 4 Mark boxes as they occur over the season.
 - 5 Connect six across, down, or diagonally. Yell "BERNIE!" to claim your victory.
 - 6 Did you lose? Don't give up, son, just print more cards and start all over!
- » You should at least watch the F1 pre-race and race broadcasts (your choice of network), but other interviews and appearances are allowable - as long as everyone marks the same items.
 - » If you're not interested in the the fluff-filled pre-race broadcast but don't want to miss a moment of Bernie, you're encouraged to go on BERNIE WATCH by fast-forwarding. He's easy to spot.
 - » Debate and spirited justification for marking a box is welcome. In the absence of dictatorial rule, decide disagreements with a coin toss.
 - » A friendly wager is encouraged. Those of extensive means are invited to wager paying for the author's trip to several F1 races.

ABOUT THOSE BOXES

Most items are clear, but a few need some detail.

APPEARS IN THE
**WEIRD
ROOM**

The post-race room where the podium drivers freshen up. It is usually eerily quiet, uncomfortably small, harshly lit, sparsely decorated, and very close to the cameras. It's weird.

BAWDY

A quintessential Bernie moment. Unfiltered views on sex, gender, politics, and other controversial subjects likely to make any PR lackey faint.

**BERNIE
ORBITAL
LASER**

A mysterious and dramatic event that adds excitement near the end of a race - often to the benefit of a British driver. Exploding tires, spontaneously detaching aero, etcetera.

**BERNIE
BUS**

A shot of the rolling compound that is Bernie's tour bus. It must be verifiably Bernie's: he must appear on or very close to the bus.

**FLIPPANT
WITH SOMETHING
GRAVE**

The PR lackey woke up in time to hear his response about a tragedy or other human suffering.

**PREDICTS
SURPRISE**

When asked to give a prediction, the response is that it's unpredictable.

**FREE
SQUARE**

Free square? Nothing's free in F1, lad.
